Details of the pre-application advice received

Acceptable in principle.

In most householder applications, the principle of development is not a matter for detailed assessment, as the residential use of the site is already established and the proposal typically involves minor works within the curtilage of a lawful dwelling.

The site is not situated within a settlement boundary, and as defined by WCS policies CP1, and CP2, and CP4 development outside the defined settlement boundaries will be limited to infill within the existing built area.

The proposal has the potential to create an independent unit. It would therefore be appropriate for a condition limiting the use of the annexe for purposes ancillary to the residential use of Oak Tree House and that it would not be occupied, at any time as an independent residential unit.

As such, the principle of development is considered acceptable, subject to the detailed assessment of design, amenity, and other material considerations set out below.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
- ☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of “agricultural tenant” in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
