Dear Sir/Madam

TOWN AND COUNTY PLANNING ACT 1990 (as amended)
APPROVAL OF DETAILS RESERVED BY CONDITION

Application No:	PL/2025/09878
Proposal:	Discharge of condition 7 (Completed S111) relating to application PL/2024/10931
Site Address:	Land adjacent to Larkrise, Mill Close, Winterbourne Gunner, SP4 6JN
On Behalf Of:	Mr Ben Diffey - c/o Agent C/O Agent - Atlas Planning Group, Bodenham House Barn, Bodenham, Salisbury, SP5 4EN

I refer to your application for the discharge of condition(s) attached to the above planning permission dated 18 December 2025. After careful consideration, the following decision has been made:

Condition(s) submitted for consideration:

Condition 7:

The development hereby permitted shall not commence until evidence of compliance to the Wiltshire Council River Avon Special Area of Conservation Mitigation scheme, or an alternative approved mitigation package addressing the additional nutrient input arising from the development, has been submitted to, and approved in writing by the Local Planning Authority.

REASON: The application contained insufficient information to enable this matter to be considered prior to granting planning permission and the matter is required to be agreed with the Local Planning Authority before development commences in order that the development is undertaken in an acceptable manner. To accord with the Conservation of Habitats and Species Regulations 2017, and Wiltshire Core Strategy Core Policy 69.

Details Submitted for Approval: Signed S111 between the applicant and Wiltshire Council

Decision: The details submitted in relation to this condition are approved.

Reason for Decision:

The signed S111 is a legal agreement showing compliance to the Wiltshire Council River Avon Special Area of Conservation Mitigation scheme with fees paid. The S111 has been signed by both the applicant and the Council's legal team and is therefore sufficient to allow the condition to be discharged.

Please note that in accordance with national planning guidance, discharge of condition applications are procedural in nature and do not require public consultation. While third-party representations may occasionally be received, they are not formally invited and do not form part of the statutory decision-making process. The assessment of this application has been based solely on whether the submitted details satisfy the requirements of the relevant planning condition(s).

This letter acts as official confirmation and therefore I suggest that you attach it to the decision notice as evidence that you have complied with the requirements of the relevant condition(s).

Yours faithfully

Head of Development Management
