2.0 Materials Schedule

The materials shown on this page relate to the existing dwelling only.

The existing windows are being refurbished and painted with Brouns paint in colour 'Clotted Cream' (figures 9 & 10). The utility room replacement window and new second floor bedroom window will be Accoya and painted to match the existing windows in Brouns 'Clotted Cream'. For more information on the new and replacement window in the existing dwelling refer to drawings 202 and 203.
