This drawing is partly based on original construction drawings of an existing building. The source drawings may not accurately reflect the current state of the existing building. This drawing and related CAD data should not be used for producing construction information. Dimensions should be verified on site before finalising detailed design of any element of the proposals.

This drawing uses survey information by others. The accuracy of this information has not been verified. PLACE By Design cannot be held liable for any errors or omissions in this information or any design changes which may be required as a consequence of reliance on such information. Dimensions should be verified on site before finalising detailed design of any element of the proposals.

This drawing is partly based on estimated dimensions created from photographs of an existing building. The drawing and related CAD data should not be used for producing construction information. Dimensions should be verified on site before finalising detailed design of any element of the proposals.

Contractors must work only to figured dimensions which are to be checked on site.
