REVISION SUMMARY

DATE REVISION

This technical drawing shows a vertical section of a window assembly. The main component is a tall, narrow frame with a central vertical track. Inside this track, a sash is visible, featuring two horizontal glazing bars. The sash is held in place by a series of small, circular components, likely rollers or spacers. The frame is shown in a cross-section, revealing internal structural details and the glazing system. The drawing is a black and white line drawing with some red dashed lines indicating specific features or boundaries.
