Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The proposal is to create a new small window in the east facing gable end of the building. The window will be located within the opening of an old doorway that was bricked-up many years ago. Original door lintels are still in place, and subject to condition will be retained for the proposed window.

The window will be of traditional design to match the existing casement windows found elsewhere on the property. It is expected that the windows would use slim-line double glazed units to improve energy efficiency whilst not affecting the appearance. . The frames and sashes will be formed of Accoya or hardwood (dependent on price and durability).

The new window will significantly enhance the amount of natural light within the kitchen and dining area of the house.

Has the development or work already been started without consent?

☐ Yes

☒ No

Listed Building Grading

What is the grading of the listed building (as stated in the list of Buildings of Special Architectural or Historical Interest)?

☐ Don't know

- ☐ Yes
☒ No

d) stripping out of any internal wall, ceiling or floor finishes (e.g. plaster, floorboards)?

- ☐ Yes
☒ No

If the answer to any of these questions is Yes, please provide plans, drawings and photographs sufficient to identify the location, extent and character of the items to be removed. Also include the proposal for their replacement, including any new means of structural support, and state references for the plan(s)/drawing(s).

Creation of a new window in an old door opening as described in the Design and Access statement and the attached drawings.

Materials

Does the proposed development require any materials to be used?

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used (including type, colour and name for each material) demolition excluded

Type:

Windows

Existing materials and finishes:

90% of existing windows at the house are traditional timber casements. The casement windows at the front of the property have 6 panes each (2 down x 3 across). At the rear of the property there is a mixture of window sizes and shapes - most are traditional casement windows. There are two more modern metal framed Crittal-type windows. The casement windows are a mixture of painted softwoods, hardwoods and Accoya.

Proposed materials and finishes:

New window style will match existing (2 panes down, 3 across), but without intermediate mullions which are not needed given the smaller size of the window. Painted Accoya or hardwood frame and sashes. Colour to match existing colour scheme. Slim-line double glazed glazing units.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
- ☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
