Dear Madam,

**The Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)
- Schedule 2, Part 16, Class A**

Application No:	PL/2025/09559
Proposal:	The upgrade of the existing telecommunications site, comprising the installation of a generator within the existing fenced compound, and ancillary development thereto.
Location:	Existing base station, Land at Rushmore Farm, Tollard Royal, SP5 5PT
On Behalf Of:	MBNL (EE UK Ltd and H3G UK Ltd)

I refer to your application for a determination as to whether the prior approval of the local planning authority will be required as to the siting and appearance of the development..

The local planning authority has determined in this case that its prior approval **will not be required**.

This is subject to the development being carried out strictly in accordance with the details set out in the application particulars and any standard conditions in the Order.

The development may also require a Building Regulations application. The Building Regulations process is to ensure new development is safe, well built and energy efficient. The local planning authority can provide this service to you and so invites you to access the forms and other information online at www.wiltshire.gov.uk/buildingcontrol. Alternatively you can make your application by calling 0300 456 0113.

Yours faithfully
Head of Development Management
