5. What Are You Applying For?

Are you seeking consent for works to tree(s) subject to a TPO? ☐ Yes ☐ No

Are you wishing to carry out works to tree(s) in a conservation area? ☒ Yes ☐ No

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below : tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) - fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

PLEASE SEE ATTACHED PHOTO AND ALL NECESSARY INFORMATION

10. Application for Tree Works - Checklist

Only one copy of the application form and additional information (Question 8) is required. Please use the guidance and this checklist to make sure that this form has been completed correctly and that all relevant information is submitted. Please note that failure to supply precise and detailed information may result in your application being rejected or delayed. You do not need to fill out this section, but it may help you to submit a valid form.

Please use this checklist to ensure that the form has been completed correctly and that all relevant information is submitted.	
For works to trees protected by a Tree Preservation Order, failure to supply sufficiently precise and detailed information may result in your application being rejected or delay in dealing with it. In particular, you MUST provide the following:	
completed and dated application form, with all [mandatory] questions answered;	
sketch plan showing the location of all tree(s);	
a full and clear specification of the works to be carried out;	
statement of reasons for the proposed work; and	
evidence in support of statement of reasons, where required by the standard application form.	
For works to trees in conservation areas, it is important to supply precise and detailed information on your proposal. You may, therefore, wish to provide the following:	
completed and dated form, with all questions answered;	
sketch plan showing the precise location of all tree(s); and	
a full and clear specification of the works to be carried out.	
Whether the trees are protected by a TPO or in a conservation area, please indicate which of the following types of additional information you are submitting:	
photographs.	☒
report by a tree professional (arboriculturist) or other.	
details of any assistance or advice sought from a Local Planning Authority officer prior to submitting this form.
