Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

A new duct will need to be installed; a Basement Box will be fitted on the side of the block. External grade cabling will travel along catenary wire, at a high level to reach the external flats and entrance. A CSP box will be installed near each external flat door, ready for future connection. For the internal flat, invisilight cabling will be used and will run in the crease of the ceiling to reach each flat and in new PVC trunking. A Point of Entry Box will be installed above each flat door.
