

Notes:

- 1) Frame and sashes to be Accoya or hardwood.
- 2) Window sashes are non-opening type (hence no weather strips required)
- 3) Window panes are argon-filled slim-line double glazed with 4mm gap between panes.
- 4) All glazing bars 19mm thick to match other windows on property.
- 5) Woodwork painted to match existing windows on property

**Batts Farm,
Install a new window in an
old bricked-up door
opening**
