SECTION 192 (as amended by Section 10 of the Planning & Compensation Act 1991)**

Certificate of Lawful Use or Development - Proposed Use or Development

**Application Reference Number: PL/2025/09764
Decision Date: 20/01/2026**

Wiltshire Council hereby certify that on 15 December 2025 the operations described in the First Schedule to this Certificate in respect of the land specified in the Second Schedule to this Certificate are lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended) for the following reasons:

It is concluded, on the evidence provided, that the stationing of a mobile home falling within the description of a caravan within the Caravan Site and Control of Development Act 1960 as amended by the Caravan Sites Act 1968 and sited within the curtilage of the existing dwelling for the purposes of providing an annexe to be occupied incidental to the occupancy of the existing dwelling would not constitute a material change of use of land or development and would therefore be lawful without the grant of planning permission.

SCHEDULE 1: Lawful Development Certificate application for the proposed stationing of a mobile home within the residential curtilage of a dwellinghouse, for purposes ancillary to the main use of the host dwellinghouse.

SCHEDULE 2: 13 The Close, Gastard, Corsham, SN13 9PX

Signed

Nic Thomas - Director of Planning, Economy and Regeneration

Notes -

1. This Certificate is issued solely for the purpose of Section 191 of the Town & Country Planning Act 1990 (as amended).

2. It certifies that the use or development specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful on the specified date and thus would not have been liable to enforcement action under Section 172 of the 1990 Act on that date.

3. This Certificate applies only to the extent of the proposed use or development described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use or development which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

4. The effect of the Certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act, as amended. This states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change before the use is instituted or the operations begun in any manner relevant to determining such lawfulness.
