**OVERHEAD LINES
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING ACT 1990.**

With reference to the application particulars of which are specified below, I am directed by the Secretary of State to inform you that consent is hereby granted pursuant to section 37(1) of the Electricity Act 1989 ("the 1989 Act") to the installing or keeping installed above ground of electric lines ("the lines") particulars of which are specified below ("the Development").

Pursuant to section 37(3) of the 1989 Act this consent is given subject to the following conditions:

1. The Development shall be constructed in accordance with the application and the plans set out in the particulars below.
2. Subject also to regulations 65, 66, 89 and 90 of The Conservation of Habitats and Species Regulations 2017, the Secretary of State may review this consent at any time after a period of five years from the date hereof, and upon such review, after giving all persons concerned an opportunity of being heard, he may vary or revoke this consent.
3. If the Secretary of State revokes this consent, then any lines or apparatus forming part of the Development shall be removed within such period as the Secretary of State may direct.

Pursuant to section 90(2) of the Town and Country Planning Act 1990 ("the 1990 Act") the Secretary of State hereby directs that planning permission for the Development shall be deemed to be granted subject to the following condition(s):

1. The Development to which this permission relates shall be begun not later than the expiration of three years beginning from the date of this consent.

Reason: To comply with the requirements of section 91 of the 1990 Act.

2. The Company shall dismantle and remove any temporary lines and equipment referred to in the application together with any redundant lines and apparatus
