Outline planning for erection of up to 77 dwellings off Ashley Coombe Warminster
BA12 9QU

Case officer Steven Sims

Dear Sir

Although we suspect this is a fore gone conclusion that this building project will go ahead we feel we would like to raise our main concern as we live directly opposite Ashley Coombe exit point and that if you think about it on average most home owners have two cars now (his and hers) so 77 dwellings turns into the possibility of 154 cars exiting Ashley Coombe as well as the cars belonging to the other Ashley Coombe residents coming into Ashley Place and exiting onto Deverill Road which in itself is a very busy road and could cause considerable problems.

We feel it is probably futile writing this but feel the matter should be raised as it is very concerning for the people of Ashley Coombe and Ashley Place.

Yours sincerely

Mrs J Bridgen & Mr R Bridgen
