Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

We are looking to convert half of the garage to a habitable room replacing the garage door with brick and window in keeping with the existing property.
The footprint of the building will not change.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
☒ No

Has the proposal been started?

- ☐ Yes
☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

This is not changing the exterior of the building other than replacing the garage door with a window, which I believe falls into permitted development. The garage is attached to the property by a utility room.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

None

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

No change to footprint of property. Change to front of garage (half double) to introduce a window. This does not overlook any properties (road facing) and will still allow garage parking for one car and driveway parking for two cars.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☐ The agent
☒ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
