Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The proposed works are limited in scope and relate solely to the existing penthouse dormer windows. They include:

Localised repairs to existing timber window frames where minor decay is present, using traditional repair methods and matching timber species.

Removal of failed or cracked putty and replacement with appropriate traditional linseed oil-based putty.

Redecoration of the windows, following preparation, using a breathable paint system suitable for historic timber joinery.

All works will be undertaken on a like-for-like basis, with no alteration to window dimensions, profiles, glazing patterns, opening methods, or materials.

No historic fabric will be unnecessarily removed, and no modern materials will be introduced that would be visually or physically harmful to the building.
