Dear Sir/Madam,

Prior Notification of Demolition, JE 0 060, Kirkee Road, Tidworth Garrison, Wiltshire

Please find enclosed a Prior Notification of Demolition application for redundant building (JE 0 060) at Tidworth Garrison, postcode (nearest) SP9 7BN.

JE 0 060 is a single storey brick building with a flat roof, an inset veranda on the south-west front and glazed partition entrance doors and metal framed windows with concrete sills and lintels. The building was constructed post-Second World War sometime between 1945 and 1961, probably as part of the modernisation of the Garrison in the 1950s.

Building JE 0 060 was approved for demolition, along with other later building additions to the Jellalabad Barracks, as part of the Outline Planning Permission for Project Allenby Connaught in 2004 (application reference K/046111/O and shown on the approved proposed demolition plan TID/OPA/Core 05 A). Further information is provided in the enclosed Historic Building Record for Building JE 0 060.

However, the building was retained for 'rattle' in order to provide temporary office accommodation while other buildings were refurbished or otherwise inaccessible.

Building JE 0 060 is now vacant and the building condition is deteriorating, with structural issues on the reinforced concrete roof and the demolition is now required to be undertaken.

The following documents are attached to this application:

- A completed application form;
- A copy of the site notice displayed on the site;
- Location plan showing the position of the building to be demolished;
- Preliminary Bat Roost Assessment and Nesting Bird Appraisal carried out by J Taylor Ecology Consulting – dated 13.08.25;
- Historic Building Record (dated October 2025);
- Proposed Demolition Works for JE 0 060 (dated 26.01.26);
- The application fee of £325.00 (inc £85 Planning Portal service charge).
