How is my balance calculated?

We start with last month's closing balance, then add your payments and deduct your energy costs (and any upgrades). To see your most up-to-date balance, log into your account my.ovoenergy.com/login. Or, if you're Pay As You Go, check your In-Home Display or meter.

Useful information

Gas emergencies

If you smell gas or think you have a gas leak:

- Open all doors and windows to let the gas out.
- Don't turn light switches on or off.
- Don't use doorbells, mobile phones or naked flames.
- Check that all your gas appliances are switched off.

If you're worried that carbon monoxide fumes are escaping from your gas appliance, or if you have issues with your meter call the 24-hour national Gas Emergency Hotline on **0800 111 999**.

Contacting your local electricity network

If your power goes down, or you have to move your meter or upgrade your energy supply, you'll need to contact your local network operator by calling **105** free of charge.

Complaints

Good customer service really matters to us and we want to put things right for you the first time you get in touch. Contact us by email, phone, letter, online form or even drop in to see us.

Here's our complaints process:

- We aim to sort things out for you in 5 working days.
- If it's more complex, we'll aim to sort it out within 8 weeks.
- If we haven't been able to sort things out after 8 weeks, we'll let you know by letter – but will keep trying. After that our final response is a deadlock letter which we only send when we've done everything we can.
- After 8 weeks, or if you're not happy with our response, you can go to the Energy Ombudsman.

The Energy Ombudsman is an independent organisation that investigates complaints for free.

Visit www.ombudsman-services.org or call on **0330 440 1624**. Its decisions are legally binding for us, but not for you.
