Proposed Front Elevation

Proposed Side Elevation

Proposed Materials

Walls: Facing brick painted white with low level painted black to match the existing finishes

Roof: Two-storey extensions with pitched roofs with concrete interlocking tiles in traditional red colour to match the existing finish. Wet bed cement verges

Single storey with lean to roof and hip in metal standing seam / sheet or membrane finish (due to low pitch not suitable for tiles)

Windows/Doors: Front and side elevations with timber conservation style flush casement windows in pastel colour to suit existing

Rear elevation with composite or metal crittall style windows and doors in anthracite grey or black colour

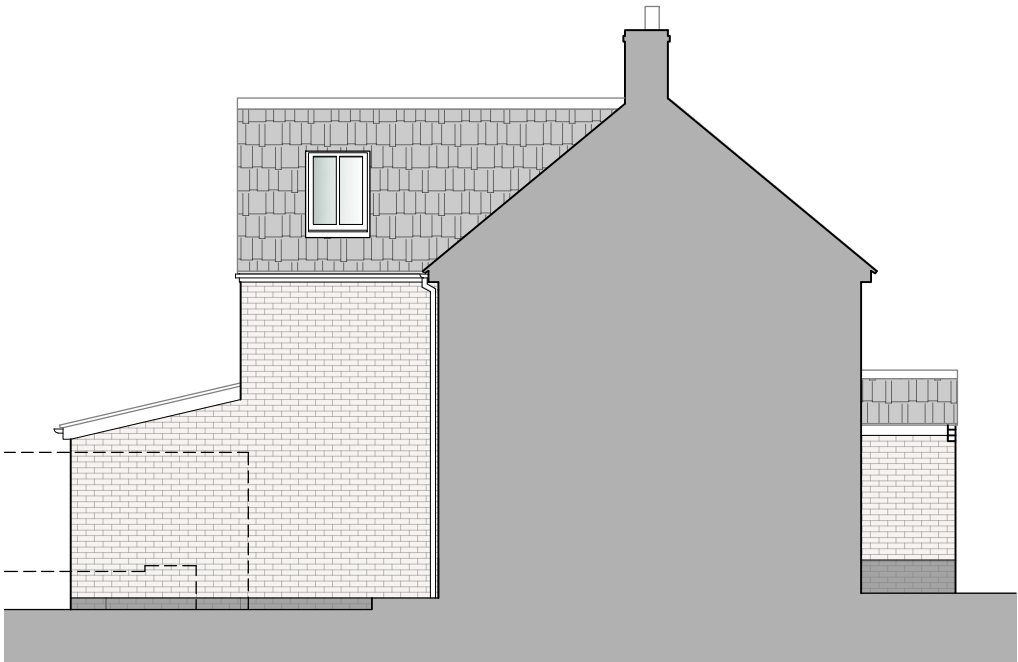

Rainwater / Guttering: Black metal 'roundline' style to match

Other: Clipped and boxed eaves with timber fascias, decorative bargeboards and corbelling detail painted to match windows/doors of front & side elevations

Brick soldier window heads and detailing painted as per walls

Proposed Rear Elevation

Proposed Side Elevation (Semi-detached)
