Sirs,

We have lived in Barbary Cottage for 16 years and note the adjacent workshop/garage has never caused us any inconvenience, as regards noise, distraction or pollution.

We cannot see why this situation should alter.

Yours Faithfully,

[REDACTED]

I refer to the above and confirm that the situation stated in the Nov 2016 remains exactly the same. There has been no inconvenience from either noise or air pollution.

The attached Planning Application

Sirs,

I have lived at Cross Farm Chilmark for five years now and throughout this time the small engineering workshop, adjacent to my property, has never caused me any inconvenience from noise or air pollution.

I see no reason why this situation should change.

Yours faithfully

I refer to the above and confirm that the situation stated in Nov 2016 remains exactly the same. There has been no inconvenience from either noise or air pollution.
