

UPSTAIRS

Product - Lye Washed Pine Cladding, [Link](#)

From £40.00 per sqm ex. VAT

New stock of our reclaimed Lye-washed Pine, salvaged from the Standard Fireworks Factory site in Huddersfield. Each board is band-sawn with subtle original surface markings and occasional cracks, then brushed to add texture and depth.

How much timber is available?

Approximately 4000 m² of reclaimed boards have been salvaged.

How will the boards be sold?

These boards are supplied wire brush sanded and ready to fit with all waste removed and split ends cut off.

Can the boards be supplied finished?

Yes, we can supply them lacquered for an extra £15m2

- Surface – Brushed sanded
- Width: approx. 100 - 140mm
- Thickness - Approx 8mm
- Length: Approximately 1- 3m
- Holes: Historical fixing marks
- Cracks: Some
- Colour variation: Yes, typical with reclaimed timber.
- Joint detail: Original square shoulder
- Finish - Dead matt lacquer if ordered

DOWNSTAIRS BATHROOM / WC WALLS (EXTERIOR), DESK SURFACE & DRAWS / CUPBOARD FRONTS

Product – Manor House Oak Natural, [Link](#)

From £105.00 per sqm ex. VAT

We are now offering our beautiful Manor House Oak as wall cladding. Hand sanded, faint bandsaw marks and gently undulating surfaces, beautiful grain patterns and knots for character. These are the hallmarks of these premium Oak boards.

We can also finish each plank with raw lacquer to give the boards an unfinished look while protecting, sealing and allowing cleaning/wiping down. This ensure no greasy marks will mark the surface and gives a good level of water resistance. Made from kiln dried FSC character grade French Oak for maximum sustainability.

- Surface – Hand sanded, some bandsaw marks, gentle undulations.
- Width: Approximately 100 - 200mm
- Thickness - Approx 12mm
- Length: Approximately 1- 2.4m
- Knots: Yes
- Cracks : Some
- Colour variation: Minimum, as expected with a natural product
- Joint detail: Sawn edge
- Finish – Unfinished or Matt lacquer
