

Highway Development Management Consultation Response

Planning Application Ref: PL/2026/00030

Site Address: 7 Pavenhill, Purton, Swindon, SN5 4BY.

Proposal: Hip-to-gable roof enlargement and rear and side dormer additions.

Date of Consultation Response: 13/02/2026

I refer to the above planning application dated 10/02/2026 seeking permission for hip-to-gable roof enlargement and rear and side dormer additions.

The site is located with existing access from Pavenhill, a C classified section of public highway subject to a speed limit of 30mph. There are no proposals to alter the existing access with the public highway.

The proposals seek to convert the loft space, which I have assumed would be an additional bedroom space.

Vehicle parking is available within the site curtilage for approximately 3 vehicles and there would be no alteration to the existing parking provision, which would meet the minimum standard for a 4-bedroom dwelling.

It is therefore considered that no highway objection be raised.
