Details of the pre-application advice received

A pre-app made in 2022 related to erecting some new commercial units on the site - so related to a materially different proposal. In as much as issues raised are relevant the Officer raised matters for resolution including sustainability of location, drainage, access and amenity - all are addressed within the application. Sustainability of location is somewhat irrelevant by virtue of the established use and nature of the proposed use.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
