Dear Sir/Madam,

Application for a S73 application to vary condition 2 of the planning consent PL/2024/08330

Address: Land off 5A Coxhill Lane, Potterne, Wiltshire, SN10 5PH

Please find enclosed an application for a S73 application to vary condition 2 of the consented scheme above.

The Proposal

The proposal seeks to vary condition 2 (elevations) of consented planning PL/2024/08330. The elevation changes allow for removal of modern canopy porch to an oak structure porch, alterations to window locations and the introduction of fully glazed doors leading out of the kitchen (east facing) and the utility (north facing).

Conclusion

On balance, the proposals will not cause sufficient harm from both a design and visual perspective.

I trust that the application will meet your support and result in a favourable recommendation in due course. Please contact me if you require any further information at any stage of the application process, and I would be grateful for an update once you have had a chance to review the application.

Yours sincerely,

Peter Davies
