16th February 2026

Submitted through Planning Portal only

Dear Sir/Madam

Re: Land at Ivor Down Farm, Sutton Veny, Warminster, Wiltshire

Please find enclosed an application on behalf of Mrs Johnson for a determination as to whether prior approval is required to erect an agricultural building for the storage of fodder and machinery. The following is provided with this application:

- Completed Application Form
- Location Plan (Drawing No. 14191-10 Rev. A)
- The requisite application fee has been paid through The Planning Portal.

The siting, design and appearance of the proposed building is consistent with the building being extended which the Council decided did not require prior approval in August 2023 (PL/2023/06622) and I therefore trust that the Council will similarly determine that prior approval is not required for this extension.

Should you have any queries in respect of this proposal, please do not hesitate to contact me. Otherwise, I look forward to receiving confirmation that prior approval is not required within 28 days.

Yours faithfully

Matt Williams
Planning Partner
