OUTLINE OF INITIAL PROPOSAL

SPECIFIC NOTES

FINISHES TO PROPOSED EXTENSION

Walls

~~Extensions - Buff-coloured bricks with Cotswold stone-coloured mortar.~~

Random coursed mortared natural Cotswold stone, set within ashlar quoins. Proposed stonework colour and mortar to complement existing Ashlar to original dwellinghouse.

North-east gable to be finished with cream-coloured render; colour and texture to complement natural stone elsewhere.

Dormer cheeks / loft extension - leaded finish

Roof

Pitched roof elements - reclaimed natural slate tiles with new slate tiles chosen to provide close match to existing.

Flat roof elements - single ply finish to valley dormer, with pressed aluminium / parapet edge finish. Box valley gutter along north-east elevation to be lead-lined. Rooflights and suntunnels to be VELUX or similar approved proprietary systems.

Windows & doors

Painted timber doors and casement windows with d-glazed vision panels. All side-facing glazing at first floor and above to be obscure-glazed.

Driveway

Permeable resin-bound gravel
