

Highway Development Management Consultation Response

Planning Application Ref: PL/2026/01115

Site Address: Former Vauxhall Car Dealership and Workshop, Bath Road, Chippenham, SN14 0UX.

Proposal: Discharge of condition 16-Goalpost entrance of planning application PL/2025/03422 (Demolition of existing building and redevelopment of site to create new building for Class B8 (self-storage) use arranged over ground, first and part second floors with associated servicing and parking areas, tree planting, landscaping and external plant).

Date of Consultation Response: 03/03/2026

I refer to the above planning application dated 17/02/2026 seeking a discharge of condition 16-Goalpost entrance of planning application PL/2025/03422 (Demolition of existing building and redevelopment of site to create new building for Class B8 (self-storage) use arranged over ground, first and part second floors with associated servicing and parking areas, tree planting, landscaping and external plant).

The proposed height restricted barrier is located within the curtilage of the site and not on existing public highway. The height restriction proposed of 3.75m would be appropriate to restrict access on site for larger commercial vehicles.

It is therefore considered that no highway objection be raised and the condition can be discharged in relation to highways.
