

Example of a house along the High Street with dark roof covering, dormer window detail with deep eaves, and warm orange-red brickwork

Two examples of cottages along the High Street with orange-red brickwork, white windows, stone cills and, in the case of the right-hand cottage a natural grey slate covered roof

Oak details to main entrance

Flush-casement windows to be in white

Natural slate covered roof

Orange-red brickwork to first floor

Example of a brick, 3-course string detail on a pair of cottages in the High Street.

Another view of The Hawthorns as seen from the garden of Three Ways; The slate roof, dormers and deep eaves have influenced the proposed design

Two views of Three Ways, which highlight the bland, 1970s/80s style which does not reflect the conservation area

NORTH-EAST ELEVATION

Chalk-colour Monocouche render to ground floor

Nearby example in the High Street of Chalk-colour render with slate roof and string course detail

The Hawthorns and Linden House with their slate roofs, dormer windows, stone cills and warm brickwork

Three Ways, Seend.
