Date: 02 March 2026

Dear Georgina

DISCHARGE OF CONDITION 14 (REMEDIATION STRATEGY) OF PL/2022/06298
CHICKLADE SERVICE STATION, CHICKLADE

Thank you for reconsulting the Environment Agency on the above application.

Condition 14 – Withdraw objection to discharge

We have reviewed the following documents;

- email of 6th February 2026 from Lone Wolf Planning
- letter of 27th November 2025 from Lone Wolf Planning
- Ground & Water Ltd Phase 1 Desk Study GWPR6751/DS/v.2.01 dated November 2025
- Ground & Water Ltd Phase 2 Site Investigation GWPR6751/SIR/v.2.01 dated November 2025
- Ground & Water Ltd Remediation Method Statement GWPR6751/RMS/v.2.01 dated November 2025

Having reviewed the proposed remediation strategy which now includes the removal of the underground storage tanks and validation sampling of the base and sides of the excavation, we have no objection to the discharge of Condition 14 with regards to controlled waters.

Yours sincerely

Ms Lindsay Ffello
