

MELKSHAM BARBERS

TRADITIONAL TURKISH BARBERS

2 March 2026

Development Services
Wiltshire Council

Dear Sir/Madam,

Application Numbers: PL/2025/09766 and PL/2025/09634
Erection of pair of Hinged Steel Gates across Access

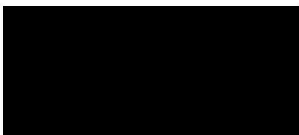

I am writing about the proposed gates.

We use the rear access to our shop for bins, bin collections and occasional deliveries/unloading. It is also our fire escape route, providing a safe way out to the front of the shop if there is an emergency.

We are worried that the gates would block or restrict the right of way. Already, I have problems with access as the neighbours from 12a block the driveway with their cars and shout at me when I use the access, even if I use it at 8pm for unloading heavy water bottles for my business.

We therefore ask that the application is refused as the gate would affect our business and would create a safety risk.

Many thanks,

Davood Zyadi

Dear Planning Department, Wiltshire Council,
PL/2025/09766 + PL/2025/09634

I have recently moved into my flat with the help of the Homeless Team at Wiltshire Council. I am really worried that if the gates are allowed that I won't be able to get into my home and I'll be homeless.

I have lived in Melksham my whole life and remember walking to the market here as a boy and I cannot remember seeing a gate.

I keep my motorbike in the garage next to the bins inside dry and safe right next to my front door and I'm happy with that but the Applicants are affecting my mental health making me feel sick with worry I am scared by them.

Please help me by refusing
THE GATES.

Paul Howard

ERACKSON

SN126JU,

Dear Wiltshire Council,

PL/2025/09766 & PL 2025/09634

I am asking these gates to be refused,
Having been homeless, Wiltshire Council,
as Rough Sleepers helped to home me
at this property Flat 5
12 High Street
am now worried about the gates
stopping me to getting
me to my home which will make me
homeless again also the gates will be
a hazard with fire safety

MR STEPHEN WOOLLEY

WILTSHIRE COUNCIL

PL/2025/09766 and PL/2025/09834

I have lived here since Oct 2020, and only once in a blue moon have I ever heard or seen any anti social behaviour in the area outside of bedroom window so I don't see why gates are needed.

Also It would also restrict the ability to receive my post and in the event that they are required, emergency services.

I am objecting against the gates.

Regards

Stephen Woolley

Wiltshire Council

PL/2025/09766 + PL/2025/09634

I keep to myself but I do currently
like the easy access along the driveways
with no fear of being locked out or unable
to get to my home by a gate

I have lived here since 2017 + I have
concerns about fire safety especially as
my flat is on the second floor.

I am writing to ask you to refuse the planning
application for the gates as I fear that
the applicants will stop me getting to my home

Thank you
