Good Morning Brook Bishop

Thank you for your email.

We are purposing to use a company called Cladco to provide the composite Wall Cladding.

Cladco cladding direct website address is <https://www.cladco.co.uk/cladding>

We are purposing to use Olive Green 3.6 m Signature Woodgrain Composite Wall Cladding. To achieve a natural timber look with low-maintenance. The cladding is made from a blend of recycled wood fibres and plastics. Signature composite cladding is an environmentally friendly choice. It offers a long-term, cost-effective alternative to traditional timber cladding, with enhanced resistance to rot, insects and weathering.
