

Highway Development Management Consultation Response

Planning Application Ref: PL/2026/00490

Site Address: 2 The Masons, Purton, Swindon, SN5 4DJ.

Proposal: Two storey and single storey extension.

Date of Consultation Response: 10/03/2026

I refer to the above planning application dated 26/10/2026 seeking permission for a proposed two storey and single storey extension.

The site is located with existing access onto The Masons, an unclassified section of public highway subject to a speed limit of 30mph. There does not appear to be proposals to alter the public highway through the proposed development.

The proposal is to provide additional living space at ground floor level and a further bedroom at first floor, raising the bedroom quantum to 4-beds. There are at least 3 vehicle parking spaces within the property curtilage, including the substandard garage space, which is in accordance with the minimum standards set out by Wiltshire Councils residential parking standards.

Therefore, it is considered that no objection be raised with regard to highways.
