Description of Proposed Works

Please describe the proposed works

A small greenhouse (6' x 8' / 1.97m x 2.56m) at the end of the garden furthest from the house.

I submitted a Listed Building Consent application on 23 May 21 (ref: PP-9871888).

I spoke with Robin Foster on 5 March 2026 and he explained that, while LBC was deemed unnecessary for the Greenhouse, owing to the distance from the house itself, that Planning Permission had not been ruled out as a requirement.

I hadn't realised this was the case, so when told LBC was not required, I believed I was clear to have the greenhouse installed.

It's out of site of the house and is also screened from outside of the property boundary by a tall hedgerow.

The frame is dark green, to ensure it blends in with the garden.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Details of the pre-application advice received

I spoke with Robin over the telephone on 5 March. I asked for proof that LBC had been granted after my application 23 May 21, as my wife and I are selling Primrose Cottage.

Robin explained that LBC had been deemed unnecessary, but that I needed to have submitted an enquiry as to the need for Planning Permission.

He advised that I do it immediately as a retrospective request.

It is an important principle of decision-making that the process is open and transparent.
