Dear Sir/Madam

TOWN AND COUNTY PLANNING ACT 1990 (as amended)
APPROVAL OF DETAILS RESERVED BY CONDITION

Application No:	PL/2025/09729
Proposal:	Discharge of Condition 14 (Remediation Strategy) of PL/2022/06298
Site Address:	Chicklade Service Station, Chicklade, SP3 5ST
On Behalf Of:	InstaVolt Ltd 6 Cedarwood, Crockford Lane, Chineham, Basingstoke, RG24 8WD

I refer to your application for the discharge of condition(s) attached to the above planning permission dated 12th December 2025. After careful consideration, the following decision has been made:

Condition(s) submitted for consideration:

I can confirm that the details submitted satisfy the following condition(s) of the above planning decision, as follows:

Condition 14 – Remediation Strategy

I can confirm that the remediation strategy, details of which are identified in the Phase I Desk Study (Ref: GHWPR6751/DS/November 2015 v 2.01, received 17th December 2025); the Phase II Site Investigation Report (Ref: GHWPR6751/SIR/November 2015 v 2.01, received 12th December 2025); and the Remediation Method Statement Report (Ref: GHWPR6751/RMS/November 2015 v 1.01, received 12th December 2025), are acceptable and satisfy the requirements of this condition. Please ensure that the development is implemented in accordance with these approved details.

The applicants are however reminded that following the assessment and remediation of the soils surrounding the fuel tanks, a verification report should be submitted to Wiltshire Council's Public Protection Service within one month. The report should demonstrate the effectiveness of the remedial works and confirm that the land under and around the removed fuel tanks is suitable for its permitted use.

Please note that in accordance with national planning guidance, discharge of condition applications are procedural in nature and do not require public consultation. While third-party representations may occasionally be received, they are not formally invited and do not form part of the statutory decision-making process. The assessment of this application has been based solely on whether the submitted details satisfy the requirements of the relevant planning condition(s).

This letter acts as official confirmation and therefore I suggest that you attach it to the decision notice as evidence that you have complied with the requirements of the relevant condition(s).

Yours faithfully

Head of Development Management
