To whom it may concern,

Please accept this letter in support of our planning application.

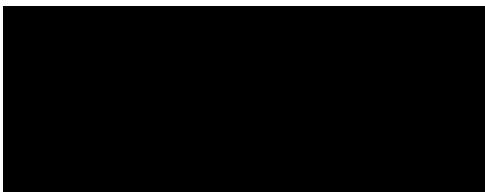

We wish to confirm that the Agricultural Justification Statement and Business Plan will be submitted separately via email for confidentiality reasons.

As planning applications and their associated documents are made publicly available online, these documents contain commercially sensitive and financially confidential information which we do not consider appropriate for publication in the public domain.

We trust that this approach is acceptable, and we will ensure that the documents are provided promptly and directly to the relevant officer for consideration as part of the application process.

Please do not hesitate to contact us should you require any further information.

Kind regards,

George Drewett
