Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Condition 6- sensitivity analysis under surcharged outfall conditions: The requested information on surcharged outfall was included in calculations previously provided to the LPA during the course of the planning application. Please refer to '10729 updated full detail calcs' included with this application. On page 4 of that document, the outfall type is set with a fixed surcharge level, and this shows that flooding does not occur in this scenario.

Condition 7- overland exceedance flow routes for storm events: Please refer to drawing '10729-502-C Drainage Strategy' included with this application which identifies the location of the overland exceedance flow routes in relation to the proposed drainage.

Condition 9- EV charging infrastructure details: Please refer to '2147-electric vehicle charging and parking management plan' included with this application and site plan drawing '2147-PL003-A' which includes EV charging provision details. Please note that these documents were previously submitted to the LPA during the course of the planning application.
