Notes

The wall positions shown on this drawing are typically shown at 2m above floor level where possible. Any critical dimensions should be checked on site to allow for changes in verticality of the wall between floor level and ceiling height.

Any structural features obscured by suspended ceiling have not been shown.

Service covers indicated where visible at time of survey.

The grid and datum for this survey is based on the Ordnance Survey grid OSGM15.

This drawing has been created for use at a scale of 1:200.
