

Highway Development Control Consultation Response

Planning Application Ref: PL/2025/09908

Site Address: Euridge Manor, Euridge, Colerne, Chippenham, SN14 8BJ.

Proposal: Variation of Conditions 6, 8, 10 & 11 of consent granted under Ground A of appeal APP/Y3940/C/22/3306233 (Appeal A).

Date of Consultation Response: 18/03/2026

The application seeks a variation of conditions as stated above to the variation of permission granted at appeal under APP/Y3940/C/3306233 (Appeal A).

The conditions are proposed to be amended to make reference to the new drawings for the Access Track and Gate Detail, stated as drawing reference LDC.2272G_13E. This drawing now shows the visibility splay as per the revision 13A. Therefore, I consider that the conditions to be varied which make reference to the revised plan are now acceptable.

In regard to the proposals to vary the conditions to make reference to the revised Passing Place Detail, stated as drawing reference LDC.2272G_07G. This would appear to be a satisfactory amended plan and as such the conditions which make reference to this can be varied as per requested.

Therefore Condition 6(vii)(d), Condition 6(vii)(e), Condition 8, Condition 10 and Condition 11 can be varied.
