Supporting Statement for renewal planning permission for Single Classroom unit with toilets no. 708(95)

Luckington operates with two classes. One is housed within the permanent (older) school building, and the other is within the mobile 708(95). Both classrooms are necessary as basic need requirement. Single temporary classroom building number no. 708(95) now requires renewal planning permission.

Forecast pupil numbers are:

September	2026	2027	2028	2020
Number on Roll	48	47	48	49

Predicted numbers indicate the school will need to maintain a two class structure for the foreseeable future and therefore the school needs to retain all the accommodation currently located on the school site.

Currently we do not have funding to replace the temporary mobile classroom with a permanent build, whilst there is an ongoing programme of replacement the worst condition mobiles are being prioritised.

Planning permission is requested for temporary double classroom unit no. 708(95) at Luckington Community Primary School.
