

The Town and Country Planning Act 1990
Approval of Full Planning Permission with Conditions

Application Reference Number: PL/2021/04857

Decision Date: 30 November 2021

Applicant: Mr Liu
Green Gables, 38, Lottage Road, Aldbourne, SN8 2ED

Particulars of Development: Construction of 2no. dwellings with associated access (amendment to 19/07637/FUL)

At: Land to the rear of Green Gables, 38 Lottage Road, Aldbourne, Marlborough, SN8 2ED

In pursuance of its powers under the above Act, the Council hereby **GRANT PLANNING PERMISSION** for the above development to be carried out in accordance with the application and plans submitted (listed below).

In accordance with paragraph 38 of the National Planning Policy Framework, Wiltshire Council has worked proactively to secure this development to improve the economic, social and environmental conditions of the area.

Subject to the following conditions:

Conditions: (11)

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
 - Location Plan, Dwg No. 409WIL-120A
 - Proposed Site Plan, Dwg No. 409WIL-100E
 - Proposed Plans and Elevations - Sheet 1, Dwg No. 409WIL-101E
 - Proposed Plans and Elevations - Sheet 2, Dwg No. 409WIL-102D
 - Proposed Landscaping Plan, Dwg No. 409WIL-102D
 - Site Section and Street Scene, Dwg No. 409WIL-103B

REASON: For the avoidance of doubt and in the interests of proper planning.

- 3 No development shall commence on site (including any works of demolition), until a Construction Method Statement, which shall include the following:
- a) the parking of vehicles of site operatives and visitors;
 - b) loading and unloading of plant and materials;
 - c) storage of plant and materials used in constructing the development;
 - d) the erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate;
 - e) wheel washing facilities;
 - f) measures to control the emission of dust and dirt during construction;
 - g) a scheme for recycling/disposing of waste resulting from demolition and construction works; and
 - h) measures for the protection of the natural environment.
 - i) hours of construction, including deliveries;
- has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be complied with in full throughout the construction period. The development shall not be carried out otherwise than in accordance with the approved construction method statement.

REASON: To minimise detrimental effects to the neighbouring amenities, the amenities of the area in general, detriment to the natural environment through the risks of pollution and dangers to highway safety, during the construction phase.

- 4 No development shall commence on site until a scheme for the discharge of surface water from the site (including surface water from the access/driveway), incorporating sustainable drainage details, has been submitted to and approved in writing by the Local Planning Authority. The development shall not be first occupied until surface water drainage has been constructed in accordance with the approved scheme.

REASON: To ensure that the development can be adequately drained.

- 5 No development shall commence on site until details of the works for the disposal of sewerage including the point of connection to the existing public sewer have been submitted to and approved in writing by the Local Planning Authority. No dwelling shall be first occupied until the approved sewerage details have been fully implemented in accordance with the approved plans.

REASON: To ensure that the proposal is provided with a satisfactory means of drainage and does not increase the risk of flooding or pose a risk to public health or the environment.

- 6 Prior to the occupation of the development hereby approved, a scheme of hard

and soft landscaping shall be submitted to and approved in writing by the Local Planning Authority, the details of which shall include:-

- a detailed planting specification showing all plant species, supply and planting sizes and planting densities;

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

- 7 All soft landscaping comprised in the approved details of landscaping shall be carried out in the first planting and seeding season following the first occupation of the building(s) or the completion of the development whichever is the sooner; All shrubs, trees and hedge planting shall be maintained free from weeds and shall be protected from damage by vermin and stock. Any trees or plants which, within a period of five years, die, are removed, or become seriously damaged or diseased shall be replaced in the next planting season with others of a similar size and species, unless otherwise agreed in writing by the local planning authority. All hard landscaping shall also be carried out in accordance with the approved details prior to the occupation of any part of the development or in accordance with a programme to be agreed in writing with the Local Planning Authority.

REASON: To ensure a satisfactory landscaped setting for the development and the protection of existing important landscape features.

- 8 No external lighting shall be installed on-site until plans showing the type of light appliance, the height and position of fitting, illumination levels and light spillage in accordance with the appropriate Environmental Zone standards set out by the Institution of Lighting Professionals in their publication "The Reduction of Obtrusive Light" Guidance Note 01/21 (reference GN01/21), have been submitted to and approved in writing by the Local Planning Authority. The approved lighting shall be installed and shall be maintained in accordance with the approved details and no additional external lighting shall be installed.

REASON: In the interests of the amenities of the area and to minimise unnecessary light spillage above and outside the development site.

- 9 The windows in the gable elevations, serving the ensuite bathrooms of the dwellings hereby approved shall be glazed with obscure glass only to an obscurity level of no less than level 4 and fixed with a ventilation stay restricting the opening of the window to no more than 200mm prior to the first occupation of the development hereby permitted and shall be permanently maintained in perpetuity.

REASON: In the interests of residential amenity and privacy.

- 10 No part of the development hereby permitted shall be first occupied until the access, turning area and parking spaces have been completed in accordance with the details shown on the approved plans. The areas shall be maintained for those purposes at all times thereafter.

REASON: In the interests of highway safety.

- 11 Prior to the occupation of the dwellings hereby approved, the proposed fence between the parking areas and neighbouring properties shall be installed along the top of the retaining wall adjoining the parking spaces and maintained as such in perpetuity.

REASON: In the interests of the amenity of the area.

Informatives: (2)

- 12 The applicant should note that under the terms of the Wildlife and Countryside Act (1981) and the Habitats Regulations (2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.

- 13 **INFORMATIVE TO APPLICANT:**
The applicant is advised that the development hereby approved may represent chargeable development under the Community Infrastructure Levy Regulations 2010 (as amended) and Wiltshire Council's CIL Charging Schedule. If the development is determined to be liable for CIL, a Liability Notice will be issued notifying you of the amount of CIL payment due. If an Additional Information Form has not already been submitted, please submit it now so that we can determine the CIL liability. In addition, you may be able to claim exemption or relief, in which case, please submit the relevant form so that we can determine your eligibility. The CIL Commencement Notice and Assumption of Liability must be submitted to Wiltshire Council prior to commencement of development. Should development commence prior to the CIL Liability Notice being issued by the local planning authority, any CIL exemption or relief will not apply and full payment will be required in full and with immediate effect. Should you require further information or to download the CIL forms please refer to the Council's Website www.wiltshire.gov.uk/planninganddevelopment/planningpolicy/communityinfrastructurelevy.
