Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- ☐ An existing use
- ☒ Existing building works
- ☐ An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The application relates to an existing roof terrace and stairs at the rear of the property, constructed in 2020.

The terrace is formed entirely on top of the ground floor kitchen roof and lies within the boundary of the dwellinghouse. The stairs sit behind the kitchen wall and are beyond our property boundary.

It is used as outdoor amenity space in connection with the normal enjoyment of the house.

No other parts of the property are affected.

Grounds for application for a Lawful Development Certificate

- ☐ The change of use to use as a single dwelling house began more than four years before the date of this application.
- ☐ Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Details of the pre-application advice received

The terrace at 6 The Down, Trowbridge was already completed when pre-application advice was sought in May 2024, in order to ascertain whether a retrospective planning application may be successful. The council officer responded in writing and confirmed that while structurally sound, the application would be unlikely to be successful due to the proximity to neighboring properties and did not recommend seeking retrospective planning permission.

Amendments Summary

Application amended to include the stairs as part of the application. Our neighbours on whose land they sit have been informed about the application and their details are now included under the "interest in land" section. The location and site plan have been amended to reflect this. As advised by the validation team, I have removed all supporting documents which have been accepted and left only the location and site plan on the application.
