Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We would like to change the roof material - originally we wanted to do reclaimed double roman tiles on the roof but thought the cost of a standing seam sheeted roof would be more cost effective, however after gaining 3 quotes the cost is substantially higher than that of reclaimed double roman tiles. We would therefore like to go with our original choice of double roman tiles.

We would like to change the exterior material to timber clad instead of render - this will be more in keeping with the surrounding area and our garage situated on the property. The timber clad will be an aesthetically better exterior with the change to the roof tile.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
