

DO NOT SCALE this drawing. Use figured dimensions only.
The Contractor must check & verify all dimensions on site.
Any discrepancies must be reported immediately to the Engineer for clarification before proceeding.
This drawing is copyright and owned by Morgan Civil + Structural.

SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION
Refer to the relevant Construction (Design and Management) documentation where applicable.
It is assumed that all works on this drawing will be carried out by a competent contractor, working where appropriate to an approved method statement.

- Notes**
- Drawing for Planning purposes only. Do not scale from this drawing.
 - All applicable highway works shall be carried out in accordance with the specific requirements of Wiltshire Council's Highway Design Guide.
 - This drawing is to be read in conjunction with all other relevant drawings/specifications.
 - All the above requirements shall apply unless otherwise stated in the general arrangement drawings/specification. In the event of a contradiction the contract specific documents shall be deemed to prevail.
 - The contractor is to check and verify all site dimensions and levels, including existing sewer invert levels and utilities, prior to start on site.
 - Positions of existing services/statutory undertakers apparatus adjacent to or crossing proposed excavations are to be confirmed prior to start on site.
 - This drawing is to be read in conjunction with and checked against all engineering details, specifications, geotechnical and other relevant documentation provided.
 - Where trees adjacent to highways or drainage are proposed, root barriers (type to be approved) are required to prevent structural damage.
 - Any anomaly or contradictions between any of the above is to be reported immediately.
 - The contractor is to comply in all aspects with the current British standards, building regulations and building legislation etc.

- Key:**
- Site Boundary
 - Major Contour (0.25m)
 - Minor Contour (0.05m)
 - Proposed Carriageway
 - Proposed Footway
 - Grass Verge
 - Give Way Triangle (diagram 1023A)
 - Centre of Carriageway (diagram 1008)
 - Edge of Carriageway at junction (diagram 1009A)
 - Lane Indication Arrow (diagram 1037.1)
 - Sheet Sign. Refer to drawing 138021-MCS-XX-DR-C-3010 for detail.

Sign to TSRGD Diag. 609 to be mounted at 2100mm height to underside of sign on 76mmØ galvanised steel poles with galvanised steel brackets. 450mm clearance to be provided from kerbline to edge of sign.
