Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres unless indicated otherwise. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and levels in accordance with site location and construction survey. Any discrepancies in drawings, specifications and / or schedules to be brought to the architect's attention. The drawing is to be read in conjunction with all relevant engineer's and other specialist's information. Where building components are described in the specification as contractor's design, 'construction' information relating to those components on this drawing represents design intent only.

Drawing indicates design intent only and should not be used for construction
