Details of the pre-application advice received

From the information provided, it appears that the proposal does not meet the criteria for permitted development under the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). This is due to the following reason(s):

Permitted development rights have been removed by W/97/0437/FUL condition 2 which states “Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) order 1995 and as amended by subsequent orders) and in order, to enable the Local Planning Authority to ensure that the character of the countryside and rural amenities are preserved, there shall be no further buildings erected on the former agricultural land now incorporated in the domestic curtilage, or any development normally permitted under Schedule 2, Part 1, classes E and F of the aforementioned Order without the express permission of the Local Planning Authority granted following a planning application formally submitted.”

As such, planning permission would be required before proceeding with the proposed works.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
