

Post-development BNG Habitat Plan
Land west of North Lodge,
Codford St. Peter

Key

-  Site boundary
-  Ownership boundary

Post-development Habitats

-  u1 828 – Vegetated garden
(the front and rear residential
gardens associated with the two
dwellings)
-  u1b5 89 – Sedum green roofs
(above footprint of two proposed
dwellings)
-  u1b - Developed land; sealed
surface (proposed vehicle access
and parking for the two dwellings)
-  w1g – Other broadleaved woodland
(off-site - retained at moderate
condition post-development within
the ownership boundary, however
excluded from the BNG metric as
off-site)
-  h2a5 – Species-rich native
hedgerows (excluded from BNG
metric as proposed within
residential garden curtilages)
