Dear Sir/Madam

Application to Retain Temporary Military Office (PCB768), Bulford Garrison, until 31 March 2031

This application is submitted on behalf of the Secretary of State for Defence. Its purpose is to extend the use of a temporary modular office building, PCB768, at Headquarters Road, Picton Barracks, Bulford Garrison until 31 March 2031. This is because the current temporary permission (15/12663/FUL) is conditioned such that the building should be removed in April 2026 but due to the ongoing operational military requirements, there is a need to retain the building in situ pending the cessation of its current use. The building will be used to enable vital military operations to continue during the refurbishment of permanent facilities.

The two-storey plastisol clad modular building has glazed UPVC or aluminium powder coated frame windows. The building is sited well within the confines of the Camp.

The application pack includes the following documents:

- A completed application form;
- Location Plan (3-PCB768-XX-AR-0591 01);
- Existing Site Plan (3-PCB768-XX-AR-0590 01);
- Existing Ground Floor Plan (3-PCB768-00-AR-0588 01);
- Existing First Floor Plan (3-PCB768-01-AR-0589 01);
- Existing Building Elevations (3-PCB768-XX-AR-0587 01).

Please provide a payment reference for the appropriate fee to be paid. Should you require any further information to determine this application positively please do not hesitate to contact me.

Yours faithfully
