Wiltshire Council hereby certify that on 05 January 2026 the operations described in the First Schedule to this Certificate in respect of the land specified in the Second Schedule to this Certificate and edged red on the plan attached to this certificate would have been lawful within the meaning of section 191 of the Town and Country Planning Act 1990 (as amended) for the following reasons:

It is concluded, on the evidence provided and on the balance of probabilities, that the site has been used continuously for the storage of machinery and materials (B8 use) for over 10 years and the fence, gate, cabin, container and CCTV were substantially complete for more than 4 years. Accordingly, the use and associated operational development are lawful under section 191 of the Town and Country Planning Act 1990.

SCHEDULE 1: Lawful Development Certificate: Site being used for the storage of materials (B8) and machinery. Associated erection of steel fencing, gates, cabin, container and CCTV cameras

SCHEDULE 2: SHREWTON HOUSE, ELSTON LANE, SHREWTON, SALISBURY, SP3 4HJ

Notes -

1. This Certificate is issued solely for the purpose of Section 191 of the Town & Country Planning Act 1990 (as amended).

2. It certifies that the use or development specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful on the specified date and thus would not have been liable to enforcement action under Section 172 of the 1990 Act on that date.

3. This Certificate applies only to the extent of the proposed use or development described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use or development which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

4. The effect of the Certificate is also qualified by the proviso in Section 192 (4) of the 1990 Act, as amended. This states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change before the use is instituted or the operations begun in any manner relevant to determining such lawfulness.
