

Biodiversity Net Gain Exemption

140 LEIGH ROAD, WESTBURY, WILTSHIRE, BA13 3QR

This is an application for replacement windows and a door to the property and as such no new floorspace, brickwork and roof areas are being created and no external works will add or detract from any current Biodiversity. This is a simple like for like replacement.

There is to be no felling or removal of hedgerows or trees. There is no landscaping or removing or changing of any mature garden features. No changes to any water course.

As this is a Householder application the below is taken from the government website and shows that BNG is not needed for this application.

Householder applications

These are applications made by householders as defined within [article 2\(1\) of the Town and Country Planning \(Development Management Procedure\) \(England\) Order 2015](#).

It includes, for example, small projects like home extensions, conservatories or loft conversions

Additionally as these are replacement products only and no new building work there will be no disturbance of any existing Biodiversity or habitats or any features that can be added into the scheme to increase Biodiversity at this stage.
