31st March 2026

Submitted through Planning Portal only

Dear Sir/Madam

Kingsdown Farm, Longbridge Deverill, Warminster, BA12 7DY

Please find enclosed a householder application for planning permission on behalf of Mr & Mrs Phillips for the installation of an underground package treatment plant (PTP) to replace/upgrade the existing underground septic tank behind the garage within the curtilage of the dwelling. The following is provided with this application:

- Completed Application Form
- Location Plan (Drawing No. 19101-20)
- Site Plan (Drawing No. 19101-21)
- Dimensions of the Proposed Underground Package Treatment Tank
- The requisite application fee has been paid through the Planning Portal

The underground nature of the proposed work within the residential curtilage will not affect the Cranborne Chase National Landscape and no other issues or impacts arise with this proposal. The Council is therefore respectfully requested to grant planning permission without delay in accordance with the local and national presumption in favour of sustainable development.

Should you have any queries in respect of this proposal, please do not hesitate to contact me.

Yours faithfully

Matt Williams
Planning Partner
