The Applicant and Agent has been in discussions with Wiltshire Council regarding the Malmesbury Church of England Primary School extension proposal (application ref: PL/2025/07919). At a meeting on the 15th December 2025 for application ref: PL/2025/07919 this planning application was discussed. After this meeting, correspondence between the Agent and Wiltshire Council established that the planning application detailing the permanent footpath and temporary construction access route should be submitted separately to application ref PL/2025/07919. Correspondence from the Agent to Wiltshire Council dated 5th March 2026 stated that the Applicant will not be the long term organisation responsible for the footpath operation and management.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
